

Late Night Marshalled Taxi Rank

From Saturday 6 March 2010 the Cranbourn Street taxi rank, near Leicester Square, will no longer be marshalled. Instead, the taxi rank in Haymarket, near Tiger Tiger, will be marshalled between the hours of 22:00 to 03:00 on Friday and Saturday evenings.

The normal taxi rank regulations will apply and the taxi rank will operate on a first passenger, first taxi basis with no sharing, fixed fares or directional arrangements.

The late night marshalled taxi ranks support the Safer Travel at Night campaign which aims to reduce cab-related sexual assaults and the use of illegal cabs. Transport for London (TfL) is working with the local police to tackle the illegal touting in Haymarket, the West End and other parts of London.

Taxi drivers are reminded that the front of the taxi rank is outside Nero. Drivers must move to the front of the rank and should not stop further back to wait for a fare.

The Tiger Tiger nightclub in Haymarket is currently licensed by TfL as a licensed private hire operator trading centre meaning that private hire and minicab bookings can legally be taken from inside the premises.

The full list of late night marshalled taxi rank schemes is below and drivers are encouraged to use these schemes.
