GENERAL NOTES

1. Transport for London (TfL) is required to consult relevant London highway, police and certain other authorities on proposals by licensed PSV operators to operate London Service Permit services i.e. bus services that do not form part of the London bus network and are not secured or operate under agreement with London Buses. The information shown in Sections 2 and 3 of this Bulletin should be regarded as the formal consultation by Transport for London to relevant authorities as required under s186(3)(c) of the Greater London Authority Act 1999 in relation to LSP proposals.
2. Unless stated elsewhere in this Bulletin, any observations or objections in response to LSP proposals contained in Sections 2 and 3 must be made in writing and submitted to TfL at the address shown on Page 1 within 28 days from the date of issue of this Bulletin.
3. In deciding whether to grant an LSP application, TfL is required to have regard to the Mayor of London's Guidance Document containing the criteria by which applications are to be considered. The Mayor's Guidance Document and an explanatory note on the LSP process may be accessed from the TfL website at www.tfl.gov.uk/lsp
4. **Applications for a new LSP or to vary an existing LSP may be made electronically from the TfL London Service Permits website at www.tfl.gov.uk/lsp. Forms are also available, if required, from the Licensing Manager (address on page 1).**
5. In cases of LSP services which cross the Greater London boundary, the operator must ensure that the service has been registered with the appropriate Traffic Area.
6. The LSP Bulletin is normally published every fortnight and is issued to the following authorities:
 - all London Boroughs, the City of London and the City of Westminster;
 - County Councils adjacent to Greater London;
 - Unitary Authorities adjacent to Greater London;
 - the Metropolitan Police and the City of London Police;
 - the London TravelWatch;
 - VOSA, Leeds.
7. The symbol ▲ denotes a new or altered item since the last issue of this Bulletin. The symbol § denotes an item transferred from another Section since the last issue of this Bulletin.

Section 1 – Special Notices

London Service Permit Applications

Applications for new, or to vary/cancel, London Service Permits can now be submitted electronically, via the LSP section of the TfL website at www.tfl.gov.uk/lsp.

The Big Bus Company Ltd: LSP0365 The Big Tour & LSP0366 Green Link

On 3 June 2012, The Big Bus Company Ltd will not be operating the above services as a result of road closures connected to the Queen's Diamond Jubilee River Pageant.

Other LSP services will also be subject to possible suspensions or major diversions during the Diamond Jubilee special events on 3, 4 & 5 June 2012.

West Cromwell Road, SW5 and Hammersmith Bridge Road, W11 National Express Services

From Tuesday, 3rd April 2012 and until further notice, National Express services will not be serving stops in West Cromwell Road and Hammersmith Bridge Road in either direction. This is a result of delays incurred between Heathrow Airport and London owing to a weight restriction imposed by the Highways Agency on the M4 between junctions 1 and 3, resulting in coaches being diverted via the A312 and A4 or other alternative routes.

Moorgate, EC2

Marshalls Coaches: LSP0385 Routes 771 & 772

Terravision Transport Ltd: LSP0467 Route A51

Until 1700 hours on 1 June 2012 (previously 22 May 2012), Moorgate is closed southbound between Ropemaker Street and London Wall. For the duration of the closure, coaches departing from Finsbury Square towards Victoria are diverted via Chiswell Street, Beech Street, Aldersgate Street, St Martins-Le-Grand, Cheapside, New Change, Cannon Street, Queen Victoria Street and then to normal line of route.

Green Park Station, Piccadilly W1

The Big Bus Company Ltd: LSP0365 The Big Tour

See-London.co.uk Ltd: LSP0487 See London by Night Tour

Between 0800 hours on Friday 11 May and 1800 hours on Friday 17 May 2012, the tourist bus stop (BP4591) adjacent to the Ritz Hotel at Green Park will be closed to facilitate power supply works. For the duration of the closure, buses on the above routes will stand further along Piccadilly and will set down and pick up at bus stop H at Green Park Station.
